

2019 AGM and Governing Council

We had quite a small turnout this year at our open night and AGM, however were lucky enough to have enough parents join our Governing Council for 2019. I would like to thank and congratulate the following parents and community members:

Inala Preston—Chairperson

Linda Van Zwol – Secretary

Alex Nikolic—Deputy Secretary

Fiona Friebel—Treasurer

Darian Van Zwol

And Faye Jenke— Deputy Chairperson

Thank you all for your time and commitment to our amazing small school. Also ,even if you are unable to be on Governing Council, we would absolutely love your support for the various fundraisers we will be running throughout this year, with Bunnings BBQ's and Palmer Hot Rod Show to name a few. Please keep an eye out for more information on these—many hands make light work.

Breakfast Club

We will be getting our Palmer PS Breakfast Club up and running again, starting from next Monday. If you would like to donate any cereal or fruit, donations are always welcome. Breakfast club offers toast or cereal to students who have not had breakfast at home, from 8:30 until 8:55 a.m. in the technology room. We would also like to thank Food Bank for again supporting our breakfast club, as we all know that breakfast is such an important part of every child's day.

School Necessities

Just a quick reminder that students need the following items every school day, as some students have already lost these or have not had them since the start of the year:

Drink bottle of water (no cordial/soft drink/juices—fruit infusions are fine e.g. lemon slices)

School Hat

Fruit for healthy snack (R-7)

We are trying to not supply spare hats as there has been head lice issues in the past. Even if you pack a spare hat (broad brim) in your child's bag, that would be great for when their school hat is misplaced.

Here's to an amazing swimming week...

Kind regards, Lauren

New playground

The new playground is already taking shape and we are at about 75% completion. The final adjustments will be made next week, as well as hopefully having the new rubber soft-fall laid out early next week. We are hoping, all going well, to be able to open our new playground from Monday of week five. Students have been watching the daily development of the playground and have been so patient, thinking of new games to play and ways to enjoy themselves outside without a playground.

Swimming Week

Next week is our swimming week at Woodside pool. Students will be leaving here at 10:15 am every morning, travelling to and from Woodside pool by bus, and due to arrive back at school each day by approx. 2:00 p.m. A note will accompany this newsletter, but students will need the following every day:

Learning Teams

Tally:

Blue Ice	73
White Pipeline	35
Yellow Suns	62

What to bring:

- ⇒ A towel
- ⇒ Bathers
- ⇒ Rash vest or t-shirt to swim in (students cannot swim without one)
