

PALMER PRIMARY SCHOOL

Small School, Enormous Opportunities

Dear Parents, Carers and Friends,

Here we are at the end of term one! It has been such a busy one and students have come so far in their learning—a result of hard work and dedication from staff, students and parents. I would like to thank all of our passionate staff—Katrina, Liz, Judith, Katie, Kris, Marion and Faye for all their hard work and dedication, to our hard working and resilient kids, and to you all for your constant support.

On the back of this newsletter is the term two calendar for your reference. You will note that we are having a Sports day with Cambrai next term, and we are looking forward to this as it will give students the opportunity to develop friendships with Cambrai students before we go on our Arbury Park camp together in term four. It should be a great opportunity to enable students to become familiar with athletic elements e.g. shot put, long jump etc. We will also host the combined small sports day in term three here.

Please note that as we had no pupil free days this term, there are a few pupil free days next term. This is understandably not ideal, however we had to fit in with the rest of the Partnership and some dates were the only dates available. We tried to accommodate working parents by spreading the actual days out across the term, so there is a Monday, Thursday and Friday across next term as pupil free days which Governing Council approved. We also were mindful to put them with the public holiday, so that any families wanting to go on a short holiday can have the opportunity to, rather than having days throughout the term.

Term two resumes on Tuesday the 30th of April, not Tuesday the 23rd as stated in the previous newsletter—apologies for any confusion! I would like to wish you all a fantastic, safe and happy holidays and we all look forward to seeing you all for a fabulous term two!

Kindest regards,

Lauren
