

Loose Parts play area

We are in the beginning stage of planning our loose parts play area for when the older equipment gets removed. If you know anyone who is very handy with a hammer and nails, or someone who has pallets/crates, please let us know! The more things we can source locally, the better! Thank you

Palmer Breakfast Club

Just a reminder that Breakfast Club does not start until school opens, which is 8:30 am. Students have been coming to school earlier than this time, and this time is when teachers are busily setting up for a day of successful learning for all students, and are not on duty before this time. Thank you for your support in this. Also, a huge thank you to the families who are constantly bringing in donations of milk, juice, cereals, spreads and milo for breakfast club. We are supported by donations of bread, milk, spreads and cereals through FoodBank, but the extra special donations brought in by families add extra variety and options to breakfast and we are extremely grateful for these.

School Beanies

We have some lovely and warm navy and yellow beanies which have been hand made by a lovely local. These are a great idea for keeping warm during these colder months, and are available to purchase for \$5.00. Students have also asked about gumboots during winter. Students are welcome to wear gumboots however I would recommend also packing sneakers to be worn inside during learning time, and also for when fitness and Physical Education is being taught.

Bunnings BBQ Fundraiser

Our school fundraiser is only a few weeks away. If you have any time to spare on Sunday the 23rd of June, we would love your support at Bunnings Murray Bridge. Money raised will enable us to continue providing 1:1 technology for our students as we have new students enroll, to use our ipads and laptops to enhance learning opportunities for all. Thank you.

Palmer School 'BEAR' Values

Being
Responsible
Excellence
Always Trying
Respect

Combined Sports day with Cambrai Primary School

We had our first Cambrai & Palmer joint sports day on Friday and it was a huge success by all accounts! White bears achieved a total of 266 points and Blue birds achieved a total of 268 points so it was extremely close between our two teams. Students participated and gave their absolute best efforts, and these were recognised by the many Palmer students who scored the highest total points, or

came runner up, for their year level bands. A huge congratulations to all students for giving their best and showing excellent sportsmanship skills. I was also so proud to see some of our students display acts of kindness and respect towards Cambrai students, and I would like to acknowledge Isaac Nikolic for getting several sportsmanship nominations during Sports day.

Extra Long weekend

As you know, Thursday and Friday of this week are Student Free Days. We also have the Queen's Birthday public holiday on Monday, so after today, school will not resume until **Tuesday the 11th of June**.

Also on this day, we will start with our re-structured classes, as we have had some recent enrolments in the Junior Primary class. We would like to warmly welcome our new students and their families, and hope that they enjoy being part of the Palmer Primary community. From Tuesday, four students will be moving to the Upper Primary class. Although change can be a daunting process, it is really exciting that our school numbers are continuing to grow, quite considerably from our predicted starting number of 23 this year.
