

Loose Parts play area

We are in the beginning stage of planning our loose parts play area for when the older equipment gets removed. If you know anyone who is very handy with a hammer and nails, or someone who has pallets/crates, please let us know! The more things we can source locally, the better! Thank you

Palmer Breakfast Club

Just a reminder that Breakfast Club does not start until school opens, which is 8:30 am. Students have been coming to school earlier than this time, and this time is when teachers are busily setting up for a day of successful learning for all students, and are not on duty before this time. Thank you for your support in this. Also, a huge thank you to the families who are constantly bringing in donations of milk, juice, cereals, spreads and milo for breakfast club. We are supported by donations of bread, milk, spreads and cereals through FoodBank, but the extra special donations brought in by families add extra variety and options to breakfast and we are extremely grateful for these.

School Beanies

We have some lovely and warm navy and yellow beanies which have been hand made by a lovely local. These are a great idea for keeping warm during these colder months, and are available to purchase for \$5.00. Students have also asked about gumboots during winter. Students are welcome to wear gumboots however I would recommend also packing sneakers to be worn inside during learning time, and also for when fitness and Physical Education is being taught.

Bunnings BBQ Fundraiser

Our next school fundraiser is two months away. If you have any time to spare on Saturday the 24th of August, we would love your support at Bunnings Murray Bridge. Money raised will enable us to continue providing 1:1 technology for our students as we have new students enrol, to use our ipads and laptops to enhance learning opportunities for all. Thank you.

PALMER PRIMARY SCHOOL

Small School, Enormous Opportunities

Dear Parents, Carers and Friends,

We are now busily getting ready for the end of term. Students have had an extremely busy term with Cambrai Sports day, Dream Big Excursion and a re-structure of classes, and I have been so impressed with the resilience of our students throughout all of this. Our end of term assembly will be held in the tech room on Friday the 5th of July at 9:00 am and we will also be having Matthew Brown from the school of languages to briefly talk to students and families about a school holiday language program. We hope to see you all there, and a reminder that school finished at 2:15 pm on this day.

Next term we have already organised some events such as the annual **Road and Cycle Safety Centre** excursion, the **Living safely with pets** program and the **RAA Street Smart** Program. Book Week is also held in week five, which is an event we all look forward to, so it is safe to say that we are in for another busy, but educational term! Also, we will be hosting the combined small schools sports day on Friday of week 7!

School Uniform

We have had some very, very cold weather here in Palmer and unfortunately, this has meant that at the moment, very few students are wearing our correct school uniform. Students have even started to notice that the number of students wearing correct uniform has begun to decline and so they have decided to make this a focus. Our uniform creates a sense of pride and belonging in our school and makes our 'casual days' special as that is the day when students are encouraged to not wear school uniform. We have a growing collection of school jumpers in the lost property and in our second-hand uniform pile, so please come into the office if you require more uniforms. Alternatively, navy polos and jumpers/jackets are available at both Big W and Target for a very reasonable price. This is a much better alternative than bright, colourful jumpers and jackets that are not correct school uniform, and helps create the sense of belonging for all students. Thank you for your support in this.
