

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education. This data is used as the basis for national funding.

The NCCD involves the collection of:

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please speak to Lauren, or your child's class teacher. Further information can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.

Thanks everyone for such an enthusiastic and positive start to term three,

Kind regards, Lauren

Supporting our School—Please complete the form below if you are able to help in any or all of these events this term—thank you in advance for supporting our amazing school!

Family Name

I am able to help for the following:

- ⇒ Bunnings BBQ Fundraiser at Murray Bridge on Saturday the 24th of August (Any times are appreciated between 8:30 am and 4:00 pm) Preferred time to volunteer:
- ⇒ Palmer Hot Rod Street Party, in the Palmer Main street, Sunday the 6th of October (Any times are appreciated between 9:30 am and 3:30 pm) Preferred time to volunteer:
- ⇒ Small schools combined Sports Day on Friday the 6th of September at the Palmer Oval (Any time from 8:30 am to 4:00 pm). Preferred time to volunteer:
- ⇒ Unfortunately I am not able to donate any time for the above, however I can support by another way (making coleslaw for the Hot Rod Street Party, Donating items for the Sausage Sizzle, Donation to the school, Other:

Thank you in advance!

BRIDGE HOOPS

WEDNESDAYS

August 14th – September 18th 2019

Rookies (younger children, beginners) – 5:15pm to 6:15pm

Stars (intermediates) - 5:15pm to 6:15pm

Legends (children getting ready to join a team) – 5:15pm to 6:40pm

\$35 for the 6 week program

Bridge Hoops provides an introduction to and development of individual and team basketball skills for all participants, with the aim of transitioning them into competition basketball.

Aimed at Boys and Girls Aged 5 to 8, however, children who are older and are new to basketball are welcome to attend as it will be a good introduction to basketball before they join a team for our Summer Season.

Registration/Information Forms are available on our website or at the Stadium.

PALMER PRIMARY SCHOOL

Small School, Enormous Opportunities

Dear Parents, Carers and Friends,

Welcome back to term three! Students have begun the term with their usual excitement and I know I speak for all staff when I say, it is so wonderful coming into work and working with such amazing students, families and staff. We also have some exciting news, on Monday, Judith Armstrong became a grandmother to a beautiful baby girl, Nova Rose!

Can you help?

We have a very busy term ahead of us, which also includes several opportunities for you to help us with fundraising. We will be hosting the **Bunnings Murray Bridge sausage sizzle** on **Saturday the 24th of August**, as well as the **Palmer Hot Rod Street Party**, held on **Sunday the 6th of October** (during the school holidays). If you could spare a few hours and support us in either or both of these, this would be greatly appreciated. We are also running this years '**Small schools combined sports day**' on Friday the **6th of September**, and we need many hands to make light work of what is a very busy day. Please let us know if you can help us out by returning the forms already sent home, alternatively there is another return slip on the next page of this newsletter.

Activities and special events this term

Along with Small schools combined sports day, we have the **Road and Cycle Safety Centre excursion** on Friday of week four. We also will be welcoming several visitors for in-school activities, including the **RAA Street Smart** program and the **Living safely with pets** program. Also, we cannot forget the much anticipated **Book Week**—the week in which we celebrate the joy that reading brings, which will be happening throughout week five. With all of these exciting things happening, please ensure that you are checking your chid/ren's bags for notes and reading our fortnightly newsletter for the latest updates. We also try and communicate the majority of information in our Facebook Group and are still working out our newest method, via the SkoolBag app. More info on this app will follow.
