

## What to bring to camp

In the outdoors, students should be appropriately clothed so that they are comfortable and safe in cold, wet or hot, dry conditions, depending on the season. It is important to allow for extremes that can be encountered at the time of year you are coming to Arbury Park. ## Small School, Enormous Opportunities

*Dear Parents, Carers and Friends,*

Here we are at the end of term three! I would like to thank you all for yet another fantastic and successful term! We will be ending the term with our usual **KIWANIS Assembly, tomorrow at 9:00 am** in the tech room. We were hoping to have a wheels day, however will have to postpone that until the end of next term. Instead, we will be visiting the Nature Playground tomorrow and having a play at the Collier Park oval. When inside, students may bring and play their own technology providing all content and games are appropriate for school. Students will be **dismissed at 2:15** being the last day of term.

On the last page of this newsletter you will find the calendar for Term 4. We will be having **school photos on Monday the 21st of October**, and school **camp, at Arbury Park**, will be held between the **11th and 13th of November**. Many families have paid the \$100 cost of camp, and just a reminder that all payments need to be finalised by Monday the **21st of October**. Please come and speak to Kellie if you would like to arrange a payment plan for camp. Also, if you have any dietary concerns regarding your child and camp, please come and speak to myself as soon as possible so that we can communicate with the Arbury Park Camp catering staff.

### Arbury Park Camp information:

We will be leaving school at 9:00 am on Monday 11th November, to arrive at Arbury Park by 10:00 am. Upon arrival, we will be having morning tea, therefore no food is required to be packed for students. Please note that we will only have enough room on the bus for one overnight bag per student, so please keep this in mind when packing. Pillows can be brought on the bus with students, while overnight bags will be stored underneath the bus. Medications will be kept with staff and administered in accordance with Medical care plans. Please see Kellie if you require help with this, as no medicines can be administered without all documentation, labels and packaging
