Early arrivals

We have continued to have students arrive well before 8:30 am when teachers start their duty of care. Before 8:30 am, teachers, SSO's and even myself are busy preparing and planning for the learning of your children. Please, if you arrive to school before 8:30 am, you are welcome to stay with your child, but staff will not be able to offer supervision until 8:30. Breakfast club will open at 8:30 as well. Your support in not dropping off your child/ren before 8:30 is greatly appreciated.

New hats

We have just had our shipment of new school hats arrive. These come with exciting features such as a toggle to tighten the hat to keep them on when hanging upside down on playgrounds and doing handstands, and our school logo on the front. These are now available from the front office at the very reasonable price of \$12. We are also selling our old style hats for the heavily reduced price of \$5.

SAPSASA Soccer

We are so proud of Dane and CJ representing our school at this week's SAPSASA Soccer Carnival. Both of them have shown such dedication and enthusiasm and we are all so proud of them both!

Communities for Children Murraylands

G R O W I N G

W I T H

Small School, Enormous Opportunities

Dear Parents, Carers and Friends,

Do you like the new icons on our newsletter? We have been thinking of ways to promote more awareness of our School BEAR Values and Katrina has developed the above icons to represent our values. This was done in consultation with students about what each value means to them. We are proud of our values and all the different ways we see our students demonstrating these values every day. A big thanks to Katrina for her efforts in developing these.

We have had another busy fortnight with all students completing their annual PAT testing. All staff have been so impressed by the students resilience and determination during PAT testing and we have begun sharing students academic growth during our Term 3 interviews. If you have not yet made a time for an interview, please come and see Kellie to do so. I have also heard that this years NAPLAN results will be sent to schools mid September, so these will be sent home to families as soon as we receive them.

We were disappointed to have to postpone our small schools combined Sports day but have rescheduled for **Friday of week 1 next term, Friday the 18th October**. A modified lunch order form has been sent home, please ensure these are returned by Monday week 10 (23rd September). If the weather is again not safe for Sports day to occur, we will unfortunately have to cancel the day. We will, however, be holding our Sports Day combined with Cambrai early next year.

As we are heading towards the end of term, I would just like to remind everyone that we will be having an **early dismissal at 2:15 pm on Friday 27th September, the last day of term**. Students will have their usual KIWANIS Terrific kids award presented at the end of term Assembly and we would love you to join us at 9:00 in the Tech room.
