

Auslan Bracelets

Students and staff have been learning and loving the new skills to sign AUSLAN (Australian Sign Language). Students have been practising finger spelling, signing the letters of the alphabet and are earning their AUSLAN bracelets once they can independently finger spell every one of the 26 letters of the alphabet. In this Newsletter we have included the AUSLAN finger spelling chart for students to continue practising from home so that everyone can earn a bracelet! We congratulate the following students for already earning their AUSLAN bracelet.

Student Art Lesson

Mrs Young has been doing some Nature Art classes. Students have designed some beautiful designs with Wool and Sticks. These are currently hanging in the Trees near the Enviro-cycle and look great.

Dear Families,

Message from Lauren....

Here we are at the end of week 6, with just four more weeks left of this term! Although this term has been quite different due to the covid situation, students still have learning at the forefront and have continued delving deeper in the learning pit. I continue to be impressed by their enthusiasm for learning and resilience when challenged by learning tasks.

We have been informed to remind all families at drop off and pick up to remember the 1.5 metre physical distancing outside of the school grounds, and to limit unnecessary entry into built-up areas including classrooms and the front office. These directions are taken from the guidelines given to all Department for Education Schools and Preschools to help keep schools a safe place to learn and work in. Although you may not be physically on site as often, we are always available via Class DoJo, emails, phone calls, SkoolBag and our facebook group. We are all looking forward to restrictions easing and students beginning to feel some sense of normalcy in the coming weeks and months. As these restrictions ease, we will be looking at scheduling a new date for our 'Enterprise Day' that students have been looking forward to. Although we can space out on our oval, the weather is so unpredictable throughout winter so even if restrictions ease I believe the day will be closer to Spring or Summer. We will let you know as soon as a date is determined!

Kindest regards, Lauren
