

## Non-Contact Infrared thermometer / Students Illness

All South Australian preschools and schools have been provided with a non-contact infrared thermometer. This has been provided by the Department for Education for us to use as an assessment when a child appears unwell at school.

Non contact infrared thermometers are used to measure a person's temperature rapidly with no body surface contact. They can provide temperature reading in seconds by measuring the temperature of the central forehead area.

SA Health confirms that a fever is 38 degree Celsius or more. The thermometer has a high temperature alarm set at more than 37.2 degrees Celsius. If your child appears to be unwell at school, it is likely that their temperature will be taken and you will be asked to collect them as soon as possible.

Please remember when your child is showing any symptoms of being unwell please keep them home. (Runny nose, sore throat, high temperatures, headaches, etc). When your child/ren are absent from school please notify the Front office by one of the following options:

Dojo or Skool Bag App

Phone (08) 85694050, Text message: 0439 437 735

Email: dl.0326\_info@schools.sa.edu.au

## Sports Day

With some extra restriction easing with C19 from 29th June, we are currently looking at re-scheduling our Sports Day we postponed at the start of this term. We are looking at dates in Term 3 with Cambrai Primary School. Information with dates and lunch order forms will come out early Term 3.

## Thank you!

We would like to extend a huge THANK YOU to Nic Elix, for volunteering in the Breakfast Club three times each week since Breakfast Club has been allowed to re-open. We appreciate all your time and dedication! (And you make a great piece of toast I'm told!)

Also a huge THANK YOU to Julia Featherstone and family for their amazing time and efforts in developing the garden beds near the cubby house. We can't wait to see all the amazing plants develop over Spring!

Thank you to our Governing Council members: Nic Elix, Alex Nikolic, Inala Preston, Liz Young, Fiona Friebe and Faye Jenke. It has been an unconventional way of meeting this term, but we appreciate it!

Lastly, thank you to our amazing staff for continuing to deliver an engaging curriculum during a crazy term! Your professionalism is greatly appreciated more than we can say!

Have a fantastic, safe and happy school holidays, and we look forward to a great term three with (hopefully) some exciting events! Thanks again, Lauren

**JULY SCHOOL HOLIDAYS**

SANFL School holiday clinics are returning, providing a fun, safe and inclusive environment for children at any ability aged 5 - 12.

In small groups (less than 20), kids will participate in non-contact activities designed for fun, whilst developing skills and fitness appropriate to their age.

SANFL's priority is the safety of our participants and wider community, therefore all facilitators have been trained to follow COVID-19 safe protocols

**\$50**  
2.5hr Clinic

*Small School, Enormous Opportunities*

*Dear Families,*

### Message from Lauren...

With one week to go we are rapidly approaching the school holidays. This has certainly been an unconventional term with no excursions or incursions, very few visitors to school and a significant change in the way we do many things. I would like to thank you all for your support in maintaining our school to be the safe place it is, and for supporting our students to ensure that learning could remain the focus, rather than the events of Covid-19. Speaking of which, we have now received advice from the Department that we can now allow assemblies to occur, providing that all adults adhere to social distancing practises. This means that we would love you to join us, next Friday the 3rd of July at 9:00 am, for our end of term Assembly. This will be held in the tech room and we will be setting the chairs well apart to maintain social distancing for the adults. Also a reminder that as it is the last day of term, students will be participating in an 'Art, craft and games day' where they can bring their own suitable card or board games, and may come dressed in casual clothes or pyjamas! School dismissal will be at 2:15 pm. We will also be having our Student Free Day, that was scheduled for the first day of this term, next term, meaning that the first day of term three for students will be on Tuesday the 21st of July. Staff will spend the Student Free Day Monday becoming familiar with Literacy Pro and Lexile levelling—a much more comprehensive way to track and monitor student reading growth for students.

### In summary:

**Friday 3rd July**—Last day of term two. Students can come dressed in casual clothes/PJs and can bring their own board/card games. Assembly at 9:00 am and dismissal at 2:15 pm.

**Monday 20th July**—Student Free Day—no students on site, staff completing training and development.

**Tuesday 21st July**—Students to return to school for first day of term three!
