Small School, Enormous Opportunities

Dear Families,

Student Safety

Just a quick reminder, we have seen some close calls lately with students running across the road without stopping to look, and cars reversing without checking for students. Please, can everyone be mindful that we have children crossing. Staff are out watching, however if you have a young child, please feel free to park so that your child doesn't need to cross the road, or cross with them, to keep them safe. There are plenty of car parks available. An extra second to check surroundings can save a life!

Also, we have had several dogs come on site recently. Whilst we all love our four-legged friends, it is against all public school's policy to have dogs on site unless for a specific, Principal approved educational program such as the 'Dog Safe' incursion we have yearly. Please keep your furry friends in your car or at least outside of school grounds for the safety of everyone. Thank you for your cooperation with these matters.

Cambrai Sports Day

Please return both consent forms for participating in Sports Day activities, and bus travel forms if required. If you have misplaced your form please come in and see Kellie. Lunch order menu is due back to Kellie with full payment by the **Thursday 17th September**.

Sports Day—Covid 19 reminders

As we are still under certain Covid-19 restrictions, we will be requiring all family members to sign in on arrival to Sports Day. This form will be with Palmer staff on Cambrai oval. All families **MUST** adhere to social distancing guidelines and remain 1.5 metres away from other adults not in your immediate family. As we have plenty of room on the oval, there will be no problem with families spreading out. As the Health guidelines state that it is not recommended or practicable for students to practice the same 1.5 metre social distancing within schools, students will be encouraged to stay under the marquees if they are not sitting with family. If you are sick or been interstate, in contact with anyone with COVID-19 you are required to stay home. I know these guidelines are different to how Sports Day was done last year, but I thank you all in advance for following these guidelines and making it a safe place for your child/ren to still enjoy this special day.

Community Notices

SCHOOL HOLIDAY CLINICS

SANFL School holiday clinics are returning, providing a fun, safe and inclusive environment for children at any ability aged 5 – 12.

In small groups (less than 20), kids will participate in activities designed for fun, whilst developing skills and fitness appropriate to their age.

SANFL's priority is the safety of our participants and wider community, therefore all facilitators have been trained to follow COVID-19 safe protocols
